

## SPEED CONTROL AT THE LAKE AT STONEHENGE SPECIFICATIONS & VOTING

As you are aware, two test areas were installed at the Lake at Stonehenge. Each test area contains both a speed hump and a speed bump so the owners can see and experience the difference between the two forms of speed control devices. At the bottom of this sheet is a ballot to allow you to cast your vote and let us know if you feel that the installation of humps or bumps will be a beneficial addition to our neighborhood.

**Quantity:** We anticipate that if approved, 6 to 8 areas will have speed humps or bumps installed across the street.

**Type of Speed Control Devise:** If you are in favor of installing a speed control devise, you will need to specify which style you would like to see installed in our neighborhood.

- The bumps are the sharpest controls and slow traffic down to about 5 to 10 mph.
- The humps are the smoother controls and slow traffic down to about 10 to 15 mph.

**Cost of the Devises:**

- The bumps cost about \$1000 curb to curb and will cost approximately \$6,000 to \$8,000.
- The humps cost about \$2000 curb to curb and will cost \$12,000 to 18,000.

**Voting:** Please complete the ballot listed below to caste your preference.

### Proxy Ballot

*(Only One Vote will be counted per Address)*

I/We \_\_\_\_\_ being the Owner(s) of the home(s) listed below at Lake at Stonehenge do hereby authorize and appoint: \_\_\_\_\_ (Name of the person you have selected to represent you at the Annual Meeting. If left blank, the President of the Association, Mel Vicars is customarily appointed.) to be my/our proxy to represent me/us on the issues to be discussed at the 2010 Annual Meeting of the Lake at Stonehenge Homeowners Association, Inc., and to vote on my/our behalf as directed below and on the issues submitted at the Annual Meeting which is scheduled for September 16, 2010. In the event a quorum shall fail to attend, this proxy shall remain in effect for six (6) months or until such time as it shall be revoked by me/us in writing.

**Would you like to have Speed Control Devices installed at Lake at Stonehenge?**

- \_\_\_\_\_ Yes, I want to have Speed Control Devices installed.
- \_\_\_\_\_ No, I do not want to have Speed Control Devices installed.

**If yes, which type of devices do you want to have installed? (Leave Blank if you are against humps or bumps)**

- \_\_\_\_\_ Speed Bumps (See description above)
- \_\_\_\_\_ Speed Humps (See description above)

Name: \_\_\_\_\_ Email: \_\_\_\_\_

Address: \_\_\_\_\_ Phone: \_\_\_\_\_

Signature: \_\_\_\_\_ Date: \_\_\_/\_\_\_/\_\_\_

**Instructions:** Please complete the Proxy Ballot. Make sure that your information is complete and the ballot is signed. Ballots that cannot be identified will not be counted. Give your ballot to Board Member or send it to Randall Management by email (jgodwin@randallmanagement.com) or mail it to 6200 Savoy, Suite 420, Houston, Texas 77036
