CRIME UPDATE: we are very happy to learn from Senior Police Officer Randal Jeansonne, of HPD's Westside Tactical Unit, that three suspects have been arrested in connection with the recent burglaries in west Houston neighborhoods. It is believed that these arrests will clear many of the recent home burglary cases. Although many more are anticipated, cases have already been cleared in the areas of:

10800 Sugar Hill
11500 Wickersham
11400 Overbrook
10600 Longmont
11600 Cedar Creek
11600 Trailmont
11100 Holly Springs

The arrests were made by the willingness of a private citizen to get involved and call in a situation she found suspicious, the Precinct 5 Constables, and HPD's Westside Tactical Unit and Westside Gang Unit. We will provide more information as it becomes available.

I am so grateful to all involved for their tireless work on behalf of my constituents!!
